CCMC 2021 SPECIAL CONDITIONS

All teachers, staff, and students must show proof of vaccination. (If you do not wish to be vaccinated or cannot be vaccinated for any reason, please plan on coming in 2022.) Once we receive your registration and deposit we will send you the link to a secure site for you to upload your vaccination card (front and back). Only the registrar will be able to see your card information. You must bring your card to camp as well. Taking a picture of your card means you always have it on your phone if you forget the paper copy.

We are required to conduct routine temperature checks on all students, teachers, and staff.

Everyone must wear a mask indoors, except sleeping areas.

You will be asked to fill out a form from our facility host and bring it to camp.

If conditions change and camp can't take place, we will refund your deposit.

By signing here, I certify that I agree to the conditions set forth above.
